“ *What a wonderful lady! I will never forget her at Vacation Bible School -- she had all of us in stitches. Such a wonderful sense of humor. She will be missed. Praying for your family.*

“ *She was a wonderful friend to me for many years. Even though we are 19 years apart in age, we were good friends, especially during my high school and college years. She taught me a lot about life and to accept things as they are. I allwys knew I could turn to her for advice. She will be missed! Rest in Peace Becky!*
