*I have 60 years of memories with Becky, I can't begin to list them all! Most fond ones are all our trips to Meme and Papaw's and the fun we had there. I am glad we got to stay so close. I will miss her every day. A truly loving and generous woman with a smile that could light up a room !. Nothing meant more to her than her family and my prayers are with Jamie & Keith and her grandbabies at this time. Love you all.*

“ *Way to many memories, it's hard to choose. The one that comes to mind is when she took us all to Kings Island and we had a blast, she made lasagna and heated in the window of the car while we, were in the park. She was super fun and loving always to me and I will definitely miss her.*
