“ *Pastor Felber was truly a blessing and such an inspiration. He had such a wonderful spirit. What a joy to get to know him and his family. When we joined the staff of Eagledale Baptist, our churches did many things together. Then, when we became part of the Ron Comfort Evangelistic Team, we had a number of revivals at Burge Terrace. What a blessing to be part of his ministry.*

We send our love, prayers and sympathy to Mike, Mark and Muriel. May the Lord give His extra grace and strength.

“*Dr. Felber was a treasure. He was always kind and compassionate, down to earth, humble, honest and ethical in his dealing with people and church business, and very careful in handling God's Word. When it became necessary for my family to find a new church several years ago, one of my first priorities was to find a pastor who had a good dad and home life growing up. We found that pastor in the person of Mark Felber, a son of Dr. Felber.*

On a more personal level, Dr. Felber has been a valuable member of the Senior Adult Sunday School Class at Victory Baptist Church. He recently encouraged each class member to plan out his/her own memorial service, especially including our testimony of faith in Jesus Christ. And, as an example to us, he read his own write up to the class.

Good timing for sure!!

As thousands of others can say, it has been an honor to receive counsel and wisdom from Dr. Felber, and to be his friend. Earl Stutsman

“*On occasion Pastor would call me and ask how things were going at the school and close the conversation by praying with me over the phone. This was always a great encouragement. I know that the family sorrows at this time; but praise the Lord, not as do those without Christ.*

“ When my family was broken for the second time by age 15, I was returned to my birth mother. Before moving, my Pastor, Pastor Heller told me his cousin was a Pastor near my new home. From '77-'83, Pastor Felber was a joyful influence, keeping me anchored in my faith. He and the church family we're so supportive. I am saddened by our loss but so happy for his gain. Kind of envious, actually. New body, reunion beyond belief, seeing His Savior and enjoying God's love in it's total purity. Wow!

“ *I send my condolences and prayers to the family along with warm and fond memories of Uncle DeWayne. Ruth and I were blessed to have him perform our marriage ceremony in 1977 and glad we were able to see him for so many years following in family gatherings. He was always such a warm and caring person who let you know he was truly interested in you and that he loved God and his family. May God now comfort your hearts in his absence from us.*
