“ Larry,  
Sorry but I blew right through Monday, thinking the viewing was today. I apologize. Though my friendship with your dad was brief, I came away thinking he and I could have been soul mates. We shared so many thoughts, traditions, family values and "buddy-talk" in general, and I regret the briefness. I'm sure I'm not alone in these thoughts. May his soul through the mercy of God rest in peace and may light eternal shine upon him.

*Went to Church with Bro. Loyd for 25 years. He married my wife Brenda and I. He was a kind and gentle man. Full of good works. He will be missed by all that had the privilege of meeting him. I know he is with the Lord now. Until we meet again, Brother!*

“ I'm going to miss those talks we use to have at the car lot. always had a smile on his face, we would talk about all the speaking engagement he had at different churches and I would always ask him how many were save at the last meeting, and he would say all of them. What a great servant of the Lord he was, he will be missed. I guess God has other plans for him now, or else he needed a rest. To the family. may God be with you during these time, may be grant you comfort in knowing that he now is with the Lord, and that you will see him again,
