“ *Never will forget the kindness he and Hattie offered me and my wife in 2012. I was taking chemo and radiation for weeks, making daily trips to Indy. Though his son, tony, a good friend and co-worker at Subaru, he heard of our situation. Offered his home to us to rest or stay as long as needed. Not many people would make that offer, that is the kind of man he was, preaching love and kindness is one thing, but he lived it. Thanks and enjoy the fruits of your labor.* ”

“ You will be missed, we love you, your sense of humor, you love for God & the many long hours you gave your time to help others. The long hours driving the Sunday school bus, making peanut brittle. You fought a good fight & finished your course & now your crown awaits you. Enjoy all the toothpicks sitting by the crystal shore, resting your feet in the cool clear water, plenty of fishing where the river never runs dry & unending supply of food & coffee. Love you & your family. Nikki

Our thoughts and prayers are with you all. Your family has been great friends of ours for many years. God called my dad home 9 months before He called Bro. Synesael home. They were the same age at the time of their passing. His going home service will be a great one! Our thoughts, prayers, and love are with you sweet Sis. Hattie! We love you all and hold you up in prayer! I'm not sure if we will be able to make it to the viewing and service. If not, please know that we are there in thoughts and prayers. We love you all so very much! God bless you and your wonderful family as you lay your hero and the pillar of your house to rest.
