“ Dear Lavanda,  
I don't know if you remember me? I am still a member  
of 151. Worked at the Indianapolis, IN post office.  
I am so sorry to hear about the passing of Rex. Please accept my  
sincere sympathy.

“ Lavada, its been more than two decades since we've met. I lost  
contact with you and it is with mixed emotions that I now have made  
contact with you. Rex was truly one of the Greatest Generation. We  
live at the retirement center of Hoosier Village on the northwest side  
of Indy. I'd be happy to hear from you.  
Condolences to you, Hugh (317/344-2933)
