“ I'm in the habit of recalling names from the past and googling them. What a surprise, but sad news. I knew Richard when I was in the army in Germany in 1955 and 1956. We would chip in and rent a car, drive from Schwabisch Gmund to Stuttgart, have dinner, see the sights. He was a good guy, I enjoyed his company and missed him when he left Germany. I remained there until the following year. I remember him talking about his girlfriend and his plans to marry when he returned home. Well, he did it and led a good and happy life. God bless you all.

“ So sorry for your loss....I have so many fond memories of trips to the bowling alley, Illinois and hanging out at your house with Janet. He was such a caring Dad to his children.
