“ So sorry to hear about this. I was actually getting ready to send out Christmas cards and didn't have a current address. Dick was so helpful in getting my husband Mark transfered from Southern Bell to Indiana Bell. We wouldn't be here if not for him. He helped Mark put in new windows at the house here. He was always the kindest person and he will be missed. I didn't know of his passing until today (12/3). Also just FYI Mark passed away in February of this year. I did try to send a notice but never knew if it was received. Please let me know if there's anything I can do for the family. Lu Anne Harrison, Lebanon, IN

“ There's so many things that I know how to do solely because of Dick and Annabelle. My second born son almost came in their home and they helped me love him for months. They taught me to do my taxes, budget, change my oil (as well as how to mess that up horribly! 🤔🤔🤔) They loved Dan and I through some super rough times. Richard's stories while sitting on his swing on the porch were the best! He will be much missed!

“ Dick was an amazing man of God and a huge support to me when I started in ministry at E91. He and Annabelle both were role models of Christian living to all of us at E91. He will be missed.
