“ Uncle Dick! You were the American uncle I never had. Many thanx for being a really good and true friend to my mom. I'm glad we at least got to speak while I was in Florida.
I am thinking of you and the Huffine Family. I wish you all a peaceful and loving ceremony today. I send the Huffine Family my sincerest condolences. I'm very sorry for your loss.
I'll watch for Dick at sunset on Casey Key.
With all my heart,

“ Dick was one of the nicest guys I ever met! Always a big smile and always willing to give a helping hand. And he and Eleanor gave their children good roots and great personalities and integrity and honesty.

What a terrific family.

“ My first memory of Dick was in 1954. He was reading scripture at Christ the King Church. I didn't see him again until he joined the Universal Club. My husband, John Williams was a member. As it turned out they had worked together for many years. He was a dedicated member of the club and spent many hours each year ringing the bell for the Salvation Army. Every time we got together Dick would brag about his children. He loved them very much and it was apparent that he was very proud of them. Also he was dedicated to Eleanor, his wife. Daily we would go to the nursing home to eat with her, even though she had no idea who he was. After John died, Dick would come to Florida to visit a friend. On his way back to Indy, he would stop at Sun City Center, with his buddy Rocky, and we would have lunch together. Dick was an amazing man, dedicated to his family, church and his fellow men. I am very sorry he has passed. My sympathy goes out to his family and friends.

“ To the Breens and entire Huffine Family, I'm so sorry to hear of PaPaw's passing. I've been lucky enough to spend holidays at home and many summers around him up in Palisades..just a great man to be around. While he was always entertaining, watching him read "Cards of Humanity" out loud this summer is among the top 5 hardest laughs I've ever had in my life. Any of the cousins should ask Kevin, as I sent him the video file. He was always wonderful to me, and I admired watching him as a grandfather to his many children which he loved dearly. Thanks for sharing him with all of us over the years, and the Dellen family's thoughts and prayers are with you.

“ "Uncle Dick" as we affectionately called him was very special to us and we looked forward to seeing him in Florida each winter. He was one great guy who loved each and every member of his large family in a way that just belonged to that person. If family pride was equal to wealth, Dick would be a billionaire many times over. His sense of humour and positive attitude also made him a joy to be around....we will miss him terribly. Go quietly on the wings of an angel our friend and we will watch for you at sunset on the Key. RIP.

“ My sincerest condolences to all of you of the Huffine family. I am very much thinking of you and feeling your sorrow. I am thankful to have had the opportunity of having met several of you over the years on Casey Key. I feel blessed to have had Dick in my life. We became very good friends and he welcomed my children like family. Thank you Joe, for posting the photo. Together with "old Casey Key buddies" Audrey and Alex, we shared many fun times playing Mexican train and having a good meal. At one time, I actually got Dick to steam fresh vegetables! Dick was open to new experiences, he loved life and he loved people. I loved you, too, Dick and I will miss you more than you might have ever thought.

“ I am so sorry to hear of the loss of your loved one. May you find comfort in the words found at 2 Corinthians 1: 3, 4. Praised be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God.

“ At any CKS event your Dad was there. At the summer festival when I was a kid, Dick always would find something for us to do, haul trash, clear tables, we worked hard, but it was FUN.

“ Laurie and all- So sorry to read of your dads passing today. I remember the first time I met Dick, about spring of 76. “ I'm very sorry for your loss. While I didn't know your dad particularly well...I have had several conversations with him in the past. I live at 5612 Kingsley...and we would talk from time to time. I always enjoyed his conversation but especially the years he could make it to our block party. He always seemed to look forward to it...and seemed to have a great time every time he was there. He just seemed to make the night a little better for all of us! I wish you all well in the time of your loss.
