

Richard "Rich" Allen Girard

October 17, 1958 - February 17, 2024

Richard "Rich" Allen Girard, a devoted husband, loving father, and faithful Christian, passed away at the age of 65 on February 17, 2024. Born on October 17, 1958, Rich led a life marked by generosity, love, and unwavering faith. Rich was a loving husband to Debra Girard; father to Rebecca Girard and Rachel (Zachary) Larimer; step-father to Brooke (Matthew) Heffernan and Danielle (Roger) Mitchell; brother to David (Nancy) Girard; and stepbrother to Thom (Cathy) Tompkins. He is preceded in death by his mother, Shirley Tompkins; step-father, Leroy Tompkins; father, Robert Girard; and his brother, Bob Girard.

Rich loved all of those in his life, particularly his 7 grandchildren and 2 great-grandchildren. Watching the kids do what they loved brought him so much joy. He was dedicated to his faith, never letting too many days go by between visits to church. He volunteered with his friends at Outlook Christian Church with the tech team and men's groups.

Professionally, he spent his career in the automotive industry in parts and service, predominately with Toyota. To celebrate, he and his wife Debbie loved to sneak off to Cancun with their friends as frequently as they could. In his youth, he was an athlete. Active to his core, his brain was his biggest asset. Naturally curious and thirsty for knowledge, he was an avid reader, researcher, and trivia aficionado. Rich will be missed dearly. Cheers "Chard", to a life well lived.

“ I was shocked and saddened to hear of Richard's passing. My father met and married his mom Shirley who was the most wonderful person who welcomed me with open arms. I had the pleasure to grow up with all 3 boys, but was closest in age to Richard. We had lots of good times as youth and at Calvary Church in Trumbull, CT. Richard will be missed by everyone that knew him. Forever in our hearts. My deepest condolences to Deb, children, and grandchildren.

“ Rich was a friend and a very talented car guy. He was my parts manager for 7 years at Tom Wood Toyota. In typical Rich fashion , he could recite part numbers from a 20 year old Toyota and tell you the part number that preceded it. He was very dedicated to his job and his family with his family being the reason he came to work every day. He was very smart and his mind moved very fast. He rarely made time to socialize or kid around but I believe one of the funnier conversations with Rich came from a TV show when he believed if it were not for the customers he had found the perfect job :) Those that worked with Rich will totally understand. LOL . Rich will be missed by everyone whose life he touched.

Deepest sympathies to Rich's family and friends. Cheers old buddy
