“ *To Renee and Greg,
My heart goes out to both of you at the passing of Ricky. Oh my, Ricky was always the best, he would always have me laughing and had great stories to tell me. The whole Vavul family was so intertwined at Emerson Avenue and always serving in some capacity all the time. Ricky would always be right there serving, sharing his gifts, talents and especially his big smile. I was blessed to be a very small part of that and so blessed to have known Ricky. I love you guys and I am so sorry for your loss. May God continue to wrap His loving arms around you. Love and Prayers, Darleen Smotherman*

“ *My memories of Rick started in High School. We had a couple classes together and quickly became friends. Although we hadn't seen each other since, he found me on Facebook around 2 years ago and we started talking again. It was good to relive memories of all the laughs we had together. He had a great heart and always cared about his family and friends. You will truly be missed Rick. I love you brother.*

“ *Above all the memories I have of you growing up together, I am reminded most of all that you have always had an amazing heart! Your smile, your kindness, and your delightful laugh will always be imprinted in my mind and heart! Thank you for reminding so many people what kindness and warmth really are. Rest in peace and we will see each other again one day !*
