“ While I hadn't had contact with Rickey for many years, at an extremely difficult time in my life, when we were both very young, he was one of only a very few who showed me kindness and compassion. For that I will always be grateful.

Laura did you have a brother named Kenny? Ricky Morrison is on my birth certificate, but my mother said Kenny McQueen is my dad. She was dating both of them at same time. I'm on Facebook. Linda Morrison Dunson.
