“ Love you grandma, and I always will. You were the sweetest person I've ever met. I can't wait for the day I meet with you again, along with the Holy Father. Thanks for all the fun times, and I can't say thank you enough for the birthday calls. Although I only got 11 calls, a few I don't remember, every birthday that comes my way I'll always think of you. Thanks for all you did, not just for me and my family, but for everyone. You were the most selfless person I've ever met. Love you grandma, I can't wait to see you eventually!
