“ *I had only met Robert a few times but always made me feel welcome as did his wife, the 2 of us got a long very well & we shared a few laughs together. His death came as quite a shock to me but you never know when your time comes. He enjoyed Triton & spoiled him as I did too, he will be missed. To the family do not dwell so much on his death but his life, smile, laugh & remember the good times. As long as you remember them he will never be totally gone*

“ *My dear brother I will miss you more than you will ever know...I feel broken. You were so strong. I always knew you were there for me if I ever needed you, I hope you knew I would be there for you too. Always protecting us. Your smile and laugh was infectious you could see it spread around the room. I will always miss your humor. Rest easy my beautiful bother.💔💔*
