“ Bob, is my cousin , I never got to meet, we only found each other after my mom died, in 2004, we were both searching for family ties, my daughter Dannette found him on one of her searches, we called & wrote each other, he was hoping to come to Oklahoma to meet me, so sorry it never happened, I love you cousin, maybe you can find the answers to our family, so sad mom and his mom, my aunt, lost touch, now you are there , I know you are cherishing all of them, give my mom a hug , tell her I love her , till we meet in heaven.RIP
