

## Robert "Bobby" Vincent Leszcynski

February 10, 1961 - January 22, 2025

Robert "Bobby" Vincent Leszcynski, 63, of Indianapolis, Indiana passed away January 22, 2025 at home surrounded by family. Bobby was born February 10, 1961 in Indianapolis to Dan and Nancy (Tressler) Leszcynski. He grew up attending St. Joan of Arc and St. Simon grade schools and went on to graduate from Scecina Memorial High School in 1979. Bobby married the love of his life, Beth Surface in 1986 and they had three children, David, Katie and Bo. The Leszcynskis are members of Little Flower Catholic Church and have been longtime residents of Irvington. Bobby was employed with ProSource of Indianapolis for nearly 20 years. There was never a task that was too large or too small for Bobby. Bobby was full of life and wit while always being ready to crack a joke and have a good laugh with his friends and family. He loved golfing, watching sports and attending any event where his kids were participating. Bobby enjoyed countless handy man projects and loved the challenge of fixing things in his workshop in the garage. As a husband and a father, Bobby was committed, loyal and always present.

Remaining to cherish Bobby's memory are his wife, Beth; children, David (Michael), Katie Zook (John), and Bo (Kathryn); granddaughter, Eleanor; sister, Dana Sills (Jeff); and his beloved yellow Labs, Scout and Rosie.

Preceding Bobby in death are his parents, Dan and Nancy Leszcynski; and his brother, David T. Leszcynski.

“ Beth,

*I'm visiting Indianapolis after moving to Nashville, Tennessee, and I'm staying in an Airbnb beside your home. I asked about you all and was so saddened to hear of Bobby's passing. My heart goes out to you and your family.*

*Bobby had such a big, wonderful personality and was always so open about how much he loved you and his family. I have many fond memories of working with him at Ertel's. His sense of humor kept all of us entertained and smiling.*

*Much love and caring thoughts,

“ Bobby always made time for people. He would stop to help someone or just talk to someone and offer advice or a kind word or just a joke (if you needed a silly dad joke). We miss him at ProSource where he had developed relationships with pretty much everyone he worked with in some way. All feel special because of Bobby and lucky to have had him in our lives. He and his family faced this challenge with courage and grace. An inspiration to us all. Wishing Bobby’s family much love and peace.

“ I feel like I've known Bobby and all the Leszcynski family my entire life. Bobby's dad and my dad were good friends and like to go to the knights of Columbus together on mitthoeffer road. I first coached Bobby when he was in fourth grade making the 5th and 6th grade basketball team at St Simon.

He was a natural athlete and a big reason why we won the city that year even though he was a fourth grader playing with sixth graders. He earned the name jitterbug because he was so fast and could handle the ball so well. I believe he was the only fourth grader on that City championship team. Fast forward to Scecina high school where I coached him in baseball. He could play any position and was good at all of them. He was a big reason we won another city championship as well. We lived in Irvington

And remember him coming to our home to introduce me to his new girlfriend Beth. She was so beautiful and I thought Bobby will never pull this off..... However once again he amazed me and took her as his wife 😭.

So thankful we had lunch together in the last few months and got to laugh and reminisce. Not sure how we hit it off so well and enjoyed each other.... Probably because of our polish heritage which we both loved so much.

I will never say goodbye to you Bobby I will only say see you later.  
Love you and your entire family.

“ *The first time I met Bobby when I was dating his sister in law Lisa, we shook hands as we both looked familiar to each other and he asked did you do laundry today? I was a little befuddled and I thought to myself yeah I did do laundry so I said yes I believe so. He said that’s what I thought and pointed down to the dryer sheet sticking out of my pant leg. I laughed as everyone did and I knew we’d be friends. He was my brother-in-law, but more than that we were friends always enjoy being around Bobbi and his family we always laugh together and enjoyed many of the same things. Bobbi was one of the finest men I ever knew and he will be missed dearly! I will keep rooting on your beloved Hoosiers and Cincinnati Reds RIP, my friend. ❤️🕊️*

“ I recommended Bobby for the Plant Manager job position at Precision Machine Co shortly after I was hired. I knew Bobby had the mechanical aptitude and people skills to be a great fit for the job. I participated in the interview with the business owner. Everything went well and the interview was concluding. Bobby said "can I ask a question?". The owner said "certainly". Q: "I'm a hard worker, honest and reliable. My primary objective at work is to have fun. Do you think we can have fun?". There was a long pause. I thought it was not only possible that Bobby would not be hired, but that I would also be let go. Finally the owner responded " I have fun when the business is making money". Bobby was hired, I got to keep my job. This was 30 years ago and Bobby and I have worked together almost this entire 30 years. He was true to his word. He always made work fun. You will be greatly missed, but your fun and positive attitude will stay with all of us forever. RIP
