“ *I know where you are, Duff, my old friend & we will meet again. I will never forget what a happy cut-up you always were. The light in your eyes. The tomato soup and BLT's at Di's thru' school. And that one time all our friends were occupied on a weekend so we decided to try having a "date." As usual you couldn't resist pulling my strings and we bickered back and forth all night. LOL Love you and Bless you. Claire*

“ *I am deeply saddened to hear this. Duff was my manager at my first real job after college at Radio Shack Computer Center. He always had a great story and would make you laugh so hard. My thoughts and prayers are with you. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.*
