“ We shared so many great memories! For this I am so very thankful! From going to Lemon lake with my family and our friends, car loads deep all the time, a few years ago to playing with our cars or just having long talks, sleepovers and spending time together and so many more I get to cherish forever! Right up to sitting in the burn unit with him, talking loving and laughing while we watched TV, shared old memories and peered out his room window marveling at the view like two big ole kids! I will forever love and miss you Robert Benjamin Link 💖🙏😘
