IMPORTANT UPDATE: Due to a close Covid contact and several family members currently being sick, we are postponing Dad's Celebration of Life indefinitely. We are considering waiting for Spring to host it outdoors, and will create an event page when we have a clear plan going forward. We're all so touched by your love and support, and hope you'll bear with us as we adjust the plans. Please feel free to share this to anyone you know who had planned to attend. Your friendship and care meant the world to Rob Meyer, and it means the world to us now. Please be safe out there

“ Rob and I met while he was a rep for DoAll back in 2008 up in Remington. He Always took my boss and I to lunch every week. We had so many fun times over the years. Lost track of him when I switched jobs but then he made a visit to my company just late last year and we caught up on the good times. Rob will be missed. Prayers go out to his family.

“ Karen and Family I'm so heartbroken to hear about Rob. We were childhood and family friends. I have lots of fond memories, of playing with Rob back in the early sixties when we were neighbor's on Shortridge Road. Sending love and prayers.

“ So sorry to the Meyer family for your loss. Robert joined us at Seco only a short while ago, but he was immediately part of our work family and will be missed. I was able to work with Robert recently and appreciated his friendliness and professionalism. Another soul gone too soon.
