“ *Ron was our very good friend for many years!!! He and I got to graduate on the same day from the University of Nebraska in Omaha in 1986, and then celebrate that evening with a party for both of us! He brought joy and laughter wherever he was and to our family and boys! Ron is deeply missed by his wife, Pam, our other dear friend for so many years!! As the one year anniversary of Ron's passing approaches, our hearts are full of so many wonderful memories, and we are keeping his wife Pam close in our hearts!*

Love,
Kathleen and Tom Mohr
