“ I remember when Rita and Laren would bring Rose to church on Saturday night while Rita sang in the praise band. She seemed to be at peace while she practiced and ran through the songs before the service. When I spoke to her she always smiled. My prayers are with you Rita and Laren and your family and all who will miss this wonderful lady. May God comfort you all.

“ Aunt Rosie was always a sweetheart and we will carry found memories of her for the rest of our lives. We are so sorry for the loss that all the family members are experiencing. Want all to know that you all are always in our thoughts and Prayers.
