“ *To Don and the family. Rose Marie was a kind and gracious person. I noticed that you, Don, and Rose Marie were married over 50 years. Although it has been many years since I have seen you, I have some good memories. May the Lord come and comfort and guide you through this difficult time of loss. Rev. Dave and Carol Garver*

“ Don and Family, My deepest sympathy is expressed to each of you on the loss of your wife and mother. I always enjoyed talking to Rose Marie at the Farm House Reunions. She was a very intelligent and interesting person. Also, I am sure she was courageous throughout her battle with her cancers. May your faith and memories of Rose Marie sustain and comfort you in the days ahead. My prayers will be with you. God bless each of you. Peace and blessings, Karen Johnston

“ Dear Don and family, Our first introduction to Rose Marie was her standing at our door in Freeport with a complete dinner in her hands. You all have been there for us for over 26 years and we cherish all the wonderful memories. Please remember that we will always be there for you and love you all with all our hearts.

“ Rosie has been a true friend since 1959 when we met her in Greensburg prior to her marriage to Don in January 1960. For two years we were nearly inseparable. We then went our separate ways and began raising our families. Although our paths were often far apart, when we did connect it was like we had only been apart for a few days! That is a sign of true friendship. When we moved to Franklin in 2002, it gave us an opportunity to again spend more time together. To Don and the rest of her family and friends, Rosie will continue to live on in our hearts through her legacy and our memories. If we look up into the night sky, we can see a new star shining brightly and smiling down upon us. That's Rosie!
