“ *It's so hard to put into words what you gave this world. To say your amazing, wonderful loving lady doesn't come close. Your smile and loving heart along with your sweet caring voice will be missed forever for those left behind but we all know the heartbreaks you have been through and we know how much you miss those that were gone before you. So I will try to focus on your heavenly celebration with your daughters and other loved ones. I will miss you always and I thank you for all your love. You are one of a kind. Love you so much. Rest high on that mountain. Your Soul Sister. Lindsey and all of the Hamilton's. I thank your family for sharing you with us.*
