“ I absolutely loved your mother! She ran circles around us in the cafeteria as one of the volunteers.... In her 80's and so much energy. She gave so much to OLG and the school. She always spoke her mind, was kind, loving, and most generous in giving of her time, never wanting any thanks, praise or recognition for her many deeds. She loved her son and grandchildren, so proud of them, always sharing their achievements and whereabouts. Without knowing it, Rosemary touched so many lives, and I for one, am most grateful for her friendship. May God give you peace and may you know she will have a special place in heaven. My heartfelt sympathy to you and your family.
