“ I just ran across this obituary in the newspaper this morning. To the remaining family, I'm so very, very sorry for your loss!

I believe Ruby's husband Roy was a cousin of mine? I think he was the son of my Dad's (Frank Bradshaw) half brother, Hugh Bradshaw? We used to visit aunt Ann and uncle Hugh Bradshaw often when I was very young, They were always so nice and welcoming, especially aunt Ann. They always had a nice cold bottle of Coca-Cola or two for me!

I met Ruby and Roy maybe two or three times while we were visiting aunt Ann and uncle Hugh. I was very young, but remember Ruby as being very nice and very pretty! I regret not getting the chance to know her and Roy better. But regardless, it's always sad to lose family, distant or close.

Ruby, my prayers for you and your family. May you rest in peace until we meet in Heaven with our Lord and Savior Jesus Christ.
