“ *I have known Sandee for 36 years. I lived in an apartment upstairs from her and her kids when my oldest son was born. We hung out a lot and she gave me advice, mostly about men, lol, but other things too. I know that her most treasured possession was her children. Everything she did was for them. She wanted so much to give them a good life, point them in the right direction, and she worked hard trying to provide for them. I think she managed to do an awesome job because she raised 3 very special kids into 3 wonderful adults. She introduced me to working the banquets for extra money and we did those a lot back then. We drifted apart when she married Jack, but I visited when I could. Jack made her nuts at times but it was very clear that she loved him. I was happy for her. When Jack passed away, I was sad for her. She had a unique personality, there will never be another Sandee, and she will be dearly missed.*

MS

Sorry for your loss. Even though I was only with Dane for a year. I remember all the great times we had with Sandee. She was one of a kind. She and I had a love for bingo. I would see her time to time at the grocery store in Irvington. My daughter went to elementary school there. My prayers are with the Mercer Family. RIP Sandee ❤️🙏
