“ The intention for the Friday, May 28th mass at St. Patrick Catholic Church in Bryan, Ohio will be for Sandy. We appreciate the light that she was to everyone who knew her. We always hold special memories of the time spent with the Cotten family. As we got engaged at their cottage on Lake Huron in 1998, they will always be a part of our life story. We will miss Sandy immensely but know her spirit lives on.

“ So there's a knock on my bedroom door, I open it, and there's a tree standing there with packages at the base and Mom's face is in the middle of it. Mom has dressed up as a Christmas Tree! Hiiiisterical. Then she almost immediately says "I have a snowman costume if you want!?" I of course jump right in. Her playful spirit is on of my favorite things I got from her that will continue to live through me.

“ Sandy will be greatly missed by those of us who knew and loved her. I didn't know Sandy for a long time, but long enough to know we had great fun and many laughs (mostly while playing golf). Sandy loved her family and her friends and was the first to offer assistance when needed. Her love of God and her positive attitude were at the forefront of her life.
