“ *Letty, I will always remember you as "La Naña." This is the nickname our family gave you as a baby. To this day, this is how I remember you. I have fond memories of when our family took care of you as a baby when your parents were working. I remember being upset when you started school. I wanted you to stay at our house. I was only eleven when you were born and little did I know you weren't my sister, but my neice! Letty, I will miss our phone conversations and the laughter we shared when remembering our childhood. God be with you in your journey. Love, Tia Chayo*

“ Sandra and I were friends since our youth, lived right across the street from each other as growing up. I remember so many things we shared, like bike riding to Miller's beach, swimming at River Forest pool, doing from cartehheels, to splits:) going many times to Chicago, cutting class!! Oophs not sure if I was suppose to say that. LOL. But she and I were pretty much best of Friends. We went to Junior High to High school together. But we were always up to something. We were best of friends. After Graduation, I graduated a year before Sandra, I decided to move to Puerto Rico and study at University of Pr. I moved so many times as years went by lived at Queens New York, New Jersey, Miami, Fl. And PA. And in 2009 I was diagnosed with NHL Cancer and Sandra had called me, we spent many times speaking over the phone, was always asking me " How do you feel Gladys", and funny she was asking me questions about chemotheraphy. And I would always tell Sandra about God's healing me from Cancer. Always talking about God and how amazing God is. When I found out about her sickness I prayed, and Prayed because I know how amazing God is. The last time I talked to her was about that. We spent time on fb sending pictures of ourselves or with us 4. Yolanda , Sandra, and my sister Myrna. We were at once the dynamatic 4. Unsepartable. Always having great times. I can't believe she left before me. Sandra to me wasn't only my best friend, we were like family. And I will miss her dearly. My condolence to the whole family. May the Lord give you peace and strength. She will defeniety be missed. And for all the Ayala family God Bless you all much Love, Gladys Bosque - Mendez
