“ I always felt like part of Scott's family. I'm his brother, Matt's, mother-in-law. Scott was always fun to be around. He loved to tease and have a good time. Our family get-togethers will not be the same without Scott's humor. He will be greatly missed by all his nieces and nephews. You will be missed but never forgotten. Rest In Peace Scott. I love you, Lucy

“ *Some of Jim's and I's best memories included Scott. WaffleHouse down in Bloomington, one of my all times favorites. Camping, volleyball games, the guys golfing trips. We have thought of him many times throughout the past several years. We are shocked and saddened by this news. Our thoughts and prayers are with family*

“ Scott loved playing bocce in the IHL league at Lacey Park with his brother as his partner. He enjoyed participating in the banter that those games brought as well as remembering his summer times with family in South Dakota during lunch at Haggard & Stocking. We will miss Scottie and his personality that he brought to the workplace. Paul

“ When I was in my 20s and lived alone Scott called me one day when I was so sick I could barely talk. He wanted to come over to show me some photos he'd taken on a recent trip and when he heard how sick I was he said he'd come by another time. I hung up the phone only to have him call me back a minute later and tell me he was coming over. anyway He brought me a milkshake and medicine and sat with me all afternoon until my boyfriend got off of work and came over to take care of me. That's the kind of brother Scott was and I'll never forget that day.
