“ *what can i say about my dear friend sharon hooks.. she loved life. loved having a good time... she was always volunteering for so many projects.. too many to list. she loved it.. i met sharon in the late 70s when she started working in my office.. there was a company sponsored trip to churchhill downs horse races.. we had such a good time. we went several years to the races.. she enjoyed gambling and she was so lucky.... we went on several bus trips to casinos, and to chicago shopping trips.. we went to so many concerts... we stood in line 4 hours to get vince gill,s autograph and a picture with him... i could go on and on about the places and things that we did... she was more like a sister than a friend... i am already missing her so much..*
