“ *Prento, prento why, why do you have to leave us so soon. I am sorry I didn't reply to your text, but forgive me. We have a lot of unfinished business to accomplish. I was looking forward for your visit with Prince and Aireyanna this summer, but it was not meant to be. When we meet on the other side, we will tackle some of those issues. Love you nuff, nuff always and forever. Daddy.*

you and your family, provide for your every need and allows to be the
person that you are. And, continuing to keep a smile on your face
knowing that you are going through so much Pain. I remember
Sheldon as a little boy running around smiling and clowning, it's hard
for me to except that he's gone, but keep in mind God is able to do all
things. without him we are nothing. I know dependency must always be
