“ *Dear Kim and family, I'm so very sorry for your loss. I know from my conversations with Kim that Sheri is at last pain free and can now soar with the angels. I hope knowing that brings you all less sorrow and more comfort. ❤️*

“ *I'm blessed to call you Sister,  
I also call you friend;  
You've loved me unconditionally,  
And stood with me through thick and thin.  
You've shared my joys and sorrows,  
My laughter and my sorrows,  
My laughter and my tears.  
You've been my inspiration,  
As we grew up through the years,  
When we were little children  
We laughed and played together;  
Then growing up you stood by me,  
Through good and stormy weather.  
There's something God has given us,  
That's more than family;  
He has placed a love for you, my Sister,  
Deep down in the heart of me  
I love you always and forever ❤️*
