“ *Natalie and family, Sherry was such a nice sweet lady, I loved her laugh and how she would "go visit Hazel" her code word for going out for a smoke. . I worked with her at Major for many years, I miss her so much. So sorry To hear of her passing. She is in heaven helping everyone and caring for the horses and dogs. I have so many great memories of her. I'm glad I got to know her a little.*
