“ Chuck and all. I am so sorry I missed the services. I worked with Shirley for many years at CHI East in the "good old days". She always had fond stories from home of you and the kids. She was a dear mother, wife and very caring nurse. Her sense of humor carried the whole staff during some trying times and we appreciated that.

“ Shirley is out of her pain and suffering. So sad, Chuck , you have lost your life partner, and Pam, Barbara, and Chuck you have
Lost your mother and I have so much sympathy for all of you.
Always enjoyed how witty Shirley could be. And she really cared about all the families...

“ *My parents moved in next door to Charlie and Shirley when I was 2 years old and to this day are still their neighbors. Throughout my childhood, Shirley always had a kind word, a smile and a wave for me and my family. Charlie and Shirley have always been wonderful people to have as neighbors. As my mom struggles with health problems, Charlie and Shirley both have been there to help in many ways throughout the years even though towards the end Shirley had her own health problems to deal with.*

Shirley - thank you for all of your kindness to our family through the years. We will miss you. I pray that God grants comfort and peace to Charlie, Pam, Chuck, Barb and the rest of the family during this difficult time. - Nikki (Lautner) Brundage

“ I will remember Aunt Shirley for welcoming me to the family when I fell in love with her nephew. She gave me several hand- crafted exquisite baskets that I cherish. She had such talent, wisdom and flair! She never missed an opportunity to be generous. Rest in peace, Aunt Shirley, Sam and I will miss you. Hugs and love to Uncle Chuck and the Moss family.

“ I will always remember that wonderful smile she had and her eyes that danced when my Christopher would call her Laverne! She always loved seeing him and as he got older she loved talking to me about him calling her Laverne.

She was a joy to be around and I loved talking to her about Cameron's sports. She was sooo proud of him and his accomplishments. She loved to catch me up on Ashley's life and always talked of how beautiful her little princess was.

Shirley Grace Moss, you are a GEM and have touched my life and many other's, and you will never be forgotten and always in our hearts!
