“ We were friends and neighbors of Stanley and Joanna’s and couldn’t have asked for better. Loved seeing Stanley take his walks and he was always so cordial to everyone he met. Stanley had a sweet tooth and we would take him and Joanna home baked Christmas cookies and he would not hesitate to bring back the empty container for a refill. 😊 That was our biggest compliment and we loved that! He will be missed everyday. Prayers and hugs to Joanna and family.

“ Stan and Joan have been great friends since the 1950's. Stan played summer baseball on the same team with me when we first met. We became close friends. Now, if my recall is correct we met Joan and her friend Cindy at a party and from then on it was Stan and Joan. I have a lot of great memories of my friend Stan and then Stan and Joan. At some point in our friendship it was what we called NBC Nash, Blazek, Calnin. Stan was a great friend! He and Joan are excellent examples of marriage and family.
