“ *Dad, You and mom did a fantastic job raising Kate & I. We couldn't ask for a better dad and family. You will be missed more than I can type in this message especially the way you could light up a room with such ease. Love you so much and you will always be in my heart and memory*

“ Dear Sue, Katie and Stephen. Steve and I were friends for nearly forty years. We met at Lake Nora Arms Apartments where we both had apartments and were some of the original occupants of the complex. Steve was always very social and ready to go out to listen to music, dancing, (he mostly watched), drinking "Little Kings", dinner or breakfast after being out too late! And on more than one occasion he would fall asleep in a restaurant or in someone else's living room! Those were fun times! Of course he owned every John Wayne movie ever made - and would fall asleep during those, too! And I will never forget being at the Barber Shop on Emerson Way one time when a man walked in the shop. Steve was cutting hair and had two customers waiting. The man asked to talk to Steve. Steve said, " I'm pretty busy cutting hair and have two customers waiting." In response, the man flipped open his wallet to show his ID and announced that he was an FBI agent. Steve stopped and talked to him. Seems the bank in the same center had been robbed and they wanted to know if Steve had seen anything. After the agent left, Steve said that when the guy flipped his wallet open to show the badge, that he wanted to flip his wallet open and announce Steve Pieper, barber." We all laughed about that story for years! He had a great sense of humor, was funny, kind and had that unforgettable smile, which is indelibly imprinted on my brain. He was a great man and my great friend!
