“ *I work in IPS with Barbara. I know how she always talked about her husband with respect and care, love and concern. I know he will be missed so much. I never got to meet this man, but I feel like I know him some from Barbara. One memory I will share is how they were able to take a last big world travel trip to China two years ago. They enjoyed travel so much and I got to hear about this trip at work from Barbara. They had this special trip as a couple and those memories and other trip memories will always be there to sustain Barbara. We love Barbara Trager at Super School Frederick Douglass #19! I am so sad to hear of Stephen's passing. Thoughts and prayers are with the whole family!!*
