“ *This message is for Ok-Hi. I don't know if you are the same Ok-Hi Kim from Korea that I met a long time ago...maybe about 20 years ago, possibly more. If you are she, you gave me a lovely red pillow from Korea (I still have it), and I have fond memories of our brief friendship. I live in Broad Ripple. Regardless of whether you are the woman that I met, I extend to you my deepest sympathy on the death of your husband. Christine (Chris) Carlson*

“ *Steve was one of my husband's very best friends. They worked together at the Indiana State Department of Environmental Management for many years. We often spent delightful evenings together at area restaurants; enjoyed Eagle Creek Park; and even took a trip together to China. We valued our times together; and Steve And Ok-Hi's loyal and kind friendship. T.P. And I will greatly miss Steve. He will always remain in our hearts and our memories. The circle will remain unbroken and we will meet again by and by.*
