“ I was a Bridesmaid in Steve and Bobby’s wedding, and they were both in my Wedding, and their 2 beautiful children, my god kids, were in my wedding as well. Steve was the best man I ever knew, he was always there for his family and friends, and he will be greatly missed by us all. Until we meet again my brother. I hope you and your family can have some peace knowing that.

“ I had the privilege of working with Steve for the past year. He was an incredibly generous and supportive supervisor and person. I wish I could have known him longer; he was taken from us too soon. He will be deeply missed.

“ Steve and I worked together for many years. His attention to detail resulted in years of successful audits which allowed our products to get to the people who needed them without unnecessary delay. His ability to keep the room lighthearted during trying projects was second to none. I always enjoyed working with Steve. He will be greatly missed.

Steve was the best little brother ever. I say little, but he was always towering over me. He allowed me to run the show as the older sister and always went along with my crazy ideas. I couldn't have picked a better brother. He loved taking care of people and took so much pride in everything he did. The world has lost an amazing soul. Love Wisa aka Lisa (he couldn't say his L's when we were little).
