“ I've known Steve since the 1st grade in 1954 and we have always been friends. We played Little League on the same team (Yankees) for 4 years. He was the best lefty pitcher in the league and I was his catcher. We played on Lowell grade school's 5th and 6th grade basketball team. Steve was an awesome pitcher for Warren Central High School with a wicked curve and slider. We both had Mustangs in High School and man did we love those cars. We drove many miles around the east side and elsewhere with our friends Steve was a man of highest integrity and nobody could make an honest dollar faster than Steve or in more different ways. I last saw Steve last September while visiting Indy. I will miss him greatly. My condolence to Becky and Family because you had one of the great ones for a husband and father. I will never ever forget Jonesey and the times of our youth....His spirit may be absent from his body, but it is present with our Lord .

“ My deepest sympathy and condolences to the family of Steve Jones. The loss of a loved one is sad, but we all need to remember all the memories we have of Steve. I pray that Our Heavenly Father will comfort the pain for your loss. I went to school with Steve from the 3rd grade through High School at Warren Central. We played Senior League baseball at the Lowell Little League and played for Tom’s Toasted Peanuts. Steve was always a great friend and he always treated with respect. I know he is now walking across from the bridge of life into eternal life as he is being welcomed at the gates of Heaven by Our Lord and Savior, Jesus Christ. May God Bless the family and May God Bless Steve’s soul.

Until we meet again,
Your friend, Billy Moore

“ I was fortunate to get to know Steve through his family. I can't believe it's been over 20 years since I first met him. He loved his family and especially his grandkids they were his pride and joy. He was always kind and very personable to those he met. He often brought funny story to the grandkids parties over the years and I always got a good laugh at some of the things you and your son got into. You will be missed by many but I know your memory will still continue on.

“ A gentle man always ready to help others before himself. Shrewd businessman providing for his family and others in need. I enjoyed many fond instances working with Steve and Jonathan in the trenches of a business we all understood and lived. Steve will be lovingly remembered and eternally respected by all who knew him as a straight shooter. Thank you Steve.

“ Steve you were a tough old man you didn't deserve this. I know you'd be still working away no mater how many times someone had to tell you take a break. Rest easy.
