“ I just wanted to share some thoughts about Susie. I first met her when she still had her dog, a miniature collie. The dog was in poor health all the time but Susie persisted in caring for her puppy. I used to help her walk the dog outdoors. Susie could be the sweetest person or a rattle snake, depending on her mood but, I just teased my way around that sometimes venomous attitude that she was capable of. I think I enjoyed the challenge. I and others will miss her and, I hope she remembers in heaven that you catch more flies with honey than with vinegar, as I always told her when leaving her home or apartment. GOD BLESS YOU SUSIE.....Geoffrey
