“ Sue was one of my favourite people! She was strong, beautiful, funny and so talented. I had a two hour block dance class with her in high school and I used to babysit Punky. I was honored to be trusted by her. I'm going to love seeing you dance when we meet again! Love, Caren

“ I hope today is an amazing celebration of Aunt Sue. It is with a heavy heart that I send regrets that I will not be able to make the trip. I send lots of love and hugs for the family. I pray wonderful memories ease the pain of loss. In lieu of flowers, and to honor what Aunt Sue told my mom she wants to do in heaven, we have made a donation to Save the Storks. There are some lucky babies in heaven right now!
