

Susan Jane "Susie" Snapp

May 7, 1944 - October 6, 2014

Susan Jane Stanley Snapp passed away unexpectedly in her home on October 6, 2014. She was born in Fortville, IN on May 7, 1944 to Ralph and Mary Ellen Stanley. Susie, as she liked to be called, graduated from Broad Ripple High School and went on to marry her high school sweetheart and the great love of her life David Richard Snapp JR. in 1961. They were then married for time and all eternity in the Logan, Utah temple.

She was a devoted member of the Church of Jesus Christ of Latter-Day Saints where she served in countless teaching and leadership roles. She served many, but she especially enjoyed teaching and being a mentor to the young teenage girls in her churches youth program. She also loved reading and lead an active lifestyle that included activities such as boating, biking, and skiing.

Susie diligently worked to put her husband through college so he could achieve his life long dream to become a registered architect. Soon after he graduated they opened their own architectural firm, David R. Snapp and Associates, here in Indianapolis. She worked tirelessly by her husband's side to grow their small firm from an office in the garage of their small house to a thriving business with a reputation for excellence. Although she never attended a formal business school, she had a special ability to learn and apply business principles that her husband relied on day in and day out.

Though she had a mind for business, her greatest desire in life was to be a mom and provide her children with a loving home. She achieved far more.

She had four beautiful children who each went into the world in their own unique ways, but all with the beautiful gift she gave them of the unconditional love, along with her strength and guidance. She went on in their adulthood to accept each of her children's spouses with open arms, and to welcome each grandchild and provide them with the same love and support. She even lived to see her first great grandchild, a beautiful baby girl, born only a few months ago.

In addition to her husband of 53 years, Susie is survived by her brother and his wife James and Joann Stanley of Fremont IN, her three sons and their wives David IV and Tracey Snapp of Brownsburg IN, Corey and Jill Snapp of Noblesville IN, Kevin and Stephanie Snapp of Indianapolis IN, her daughter and her husband Karen and Steven Hyska of Hilton Head Island SC, her ten grandchildren David Snapp V, Marcus Snapp, Lauren Szpunar, Cole and Neal Snapp, Maxwell Hyska, Makaylee, Avery, Ridley and Sadie Snapp and her great grandchild Audrey Szpunar.

Susie had an amazing affect on everyone she came into contact with. She will be remembered for her charming intellect, wry sense of humor, captivating smile, and her undeniable grace and charm. She lives on in each and every single life she touched.

“ *How well we remember countless lunches together, just talking and talking. I especially remember a fun day spent browsing boutiques together - so fun! You are the one who introduced me to the Power of the Pedicure and the importance of Happy Feet! Standing out in my memory also was the day you and Dave brought down a young adult group to help as we regrouped after our house fire. Bringing drop cloths and your favorite paint brush, you were dressed for work; we spent a wonderful day together painting the kitchen, while Dave and his crew built a retaining wall. You even brought all the fixings for sandwiches, so we did not have to take much time to feed everyone at lunch. My dear friend, I will miss you, but I know we will meet again! Love you all, Cheri Gumaelius*

“ I knew a member of the Snapp family. Her mother worked for Culver military Academy in Culver Indiana and the family lived on their Plymouth, Indiana farm where they grew corn and raised young pigs. Both of the parents have died but the lady is alive at about 62 years of age . The farm has been sold. She lives in a trailer park near Plymouth. The Family were members of the Missouri Synod. Are you and she related? John Horton Clinton Township Michigan .

“ Susie was a breath of fresh air. With her contagious smile and sweet spirit, we enjoyed Susie every time we saw her. She will be dearly missed. We lift Dave and all the family up in prayer and trust that they will be blessed with the strength and courage to move through the coming weeks and months.

“ My deepest sympathies and prayers.

I always looked forward to the road show (Go Indy2) because I knew that when we were done, Sister and Brother Snapp would let us come out to their house so that we could have our cast party. It was always a great way to end that time. Sister Snapp was always a wonderful woman, and was kind to me.

“ *Sister Snapp was always so wonderful to each of us in the Singles Branch in Indianapolis. Whenever I think of her, I picture her laughing and joking with the young adults, holding her sweet dog, and her awesome sense of style. She was a true friend and had such a love for us. Both she and Dave were such amazing leaders (while he was the one called to the branch, she might as well have been with her devotion and help right by his side). Our thoughts and prayers are with you and your family, Brother Snapp! She will be truly missed!*
