“ *Susie was a happy girl in high school and so friendly. We reconnected in recent years and she was still as I remembered her from school. I'll miss her sweet smile. Prayers to her family*

“ *The Boling and Stoughton families grew up together. I remember Susie as just full of life. We all adored Peggy and Dr. Grover Boling kept the Stoughtons healthy. The Bolings were all quality people and a family we Stoughton were so glad to know. Our prayers are with Cheryl as she honors her core family. All gone too soon. Sue Stoughton Richardson*

“ *Susan you have remained the same kind sweet lady you were since I have known you in high school. So glad the last few years the Ladywood ladies have got to get together and I know you enjoyed those times. Will miss the FB messages we have shared and the phone calls. You were so special to those you called your friends.*

“ *Susie was such a bouncing, happy joyful woman while I knew her at Ladywood School. One couldn't help but smile and feel buoyed just from her presence.*
