

Susie "Sue" Jane Smith

June 27, 1949 - January 7, 2022

Susie "Sue" Jane Smith,

Sue began her eternal life surrounded by her loved ones in the early morning of Friday, January 7, 2022. She was a very beautiful 72 years young. She is preceded in death by her devoted husband and father to her children, Rick Smith; her parents, Ray and Doris Glover, and a few close members of her tribe. Sue resided in Noblesville for the past 46 years, where she raised her children who are her living legacy on earth, Michael, Jonathan and Erica. Sue was the hostess with the mostest. Her and Rick's home was always buzzing with activity, entertaining friends, listening to music, late night dancing after a few cocktails and creating a space where friends could gather. The door was always open.

Sue had a passion for travel. Her trips with Rick and their best friends took them to the Bahamas, Balm Beach, Bali, Thailand, Austria, Netherlands, Italy, Tahiti, Turkey and Spain and many more exotic places. However, she never said yes to a camping trip with Rick and the kids. Sue was not one for "roughing it." Sue was stunningly beautiful and loved her friends and family fiercely and deeply. She was a timeless classy woman with impeccable style. This past 6 years she enjoyed a beautiful and exciting life with her doting love Brian Mountford. Sue opened her heart to love again, and she certainly had that in spades with her connection with Brian. She loved spending time at his home in Newcastle, Ontario and if you can believe it, he even taught her how to swing a golf club. How luck that Sue got to experience two great loves!

To her grandchildren, Doran (23), Mya (21), Sullivan (14), Sawyer (12) and Harper (11) and many other neighborhood children, Sue was known as “Momere.” Momere loved traveling with her grandchildren and trips down to Siesta Key, Florida were always a highlight. Sue loved to cook, hold true to family traditions, a good crossword puzzle and her Costco Executive Membership.

“ My husband and I moved to Wellington North in 2020. Sue and a friend of hers, former WN neighbor, stopped by in the golf cart to welcome us to the neighborhood. I really appreciated that. And this past summer of 2021, she would stop by on her bike. She wouldn't stay long as she feared running out of oxygen or as she would say, my bike battery is running low. She will be missed. “ I am a cousin of the Marciniak family who were all very close to Sue. She opened her home to several Marciniak family gatherings, and I shared in her hospitality. Sue was very friendly to me, and I found her to be a genuine, down-to-earth, and delightful person. I feel privileged to have met her. And I know that Sue did an enormous amount for my cousins.

“ Dear Jonathan and Erica -- I was so very sorry to hear of your mom's passing. She was such an amazing woman and a dear friend. I always enjoyed hanging out with your folks, and was glad that I kept in touch with them long after.

I apologize for my inability to be at the service, but it occurs simultaneously with our extended family's long delayed Christmas get together.

Although I know that you will miss her terribly, take solace in the memories of the great times that you had together
