“ There are so many memories from the years that we worked together at Metro Health, M-Plan/Methodist Healthcare. Suzanne was compassionate and competent all in one, a true friend in good times and bad. May she now celebrate her new and unencumbered life, and may God hold the family in comforting hands until the good memories replace the pain of her loss.

“ I remember Suzi well from fourth grade especially. From her picture here, it looks as though she had never changed a bit. I am sorry I never got to see her again, but glad that she is no longer in any pain or suffering. Suzi, you will be sorely missed by all who knew you, and all whose lives you touched. ~~ Gloria Allendorfer

“ *Suzi and I remained friends from the time we met at 6 weeks old until the end of her life here. I am proud to have had her for my friend for 70 years!! She will be greatly missed, even though we lived a distance and only actually saw each other occasionally. May her family find peace in her passing. She is happy now and with her beloved Husband*
