“ Just found out about Susie's passing. I had been out of town and didn't follow her surgery recovery.....my mistake. Many memories from Susie as she was my hair dresser when I returned to Indianapolis and my mother's before that. Loved her personality and love of life. Will miss her!

“ I remember the many of bowling leagues we had played on together, Aunt Susie always was so positive when it came to the game of bowling.. She always told me to fallow through and the I had a natural spin the way I threw the ball... She always had to have that one drink that would loosen her up... I love and miss you Aunt Susie
