“ *Tamara was our neighbor who lived directly behind us. She was the first one to welcome us to the neighborhood after we bought our house. Our first conversation goes something like this...*

Tamara: Are you the new neighbors?

Me: Yes, we just closed.

Tamara: Do you drink beer?

That was all it took and we have been friends ever since. I loved her wittiness, playful sarcasm and tenacity. I am going to miss you my friend..."This one's for you."

Tamara...may her memory be a blessing.

“ Tamara had such an "infectious" laugh that could cheer anyone up! She was so kind hearted and loved her family! I worked with her for over 12 yrs and we had some fun times in the office and many times I visited her and Joe at her house. She was an AMAZING cook and I have so many kitchen tips I will remember forever. Everytime I see a cherry print or deco I think of her and always will. Rest in Peace Tamara, you now have no more worries or pain!

“ Tammy was always so much fun when we were kids. She was our cousin and it was always a treat when we got to see her and her siblings at our grandparents house! I am so sorry to hear of her passing. She and all of her family will be in my prayers. Rest with God, Tam.
