“ I've worked and been friends with Tami over 30 years. Her heart was bigger than the sun. Always ready to help someone out, pick up the slack or go above and beyond at work or for a friend. I will miss her deeply. Love you Tami.

“ Picture from last summer at Harold's Steer Inn with Linda Johnson. I am so glad we reconnected this year. I grew up next door to Tami. She was like a sister to me as kids. She is part of so many happy childhood memories. She was a friend to everyone and never met a stranger. You are loved and missed Tami. - Larissa

“ Family,

Tami will be missed. We worked together at the IRT. She was practically a family member of my wife's Bow cousins. She and my wife had also worked together at craft fairs.

I will miss you my friend! A 49 year friendship as you were one of the first people I met at School #15 in 1974! Glad we stayed I. touch over the years! Techfest won't be the same without you, and our back and forth conversations and jokes I'll miss, but mostly, I'll miss you!
