“ Oh what a joyous reunion in Heaven! I can hear Tami with all the Hayden's laughing and carrying on. God bless me when I joined the family and met her and all of her sisters. My heart breaks for your passing. But I take comfort in the grace of God knowing you are no longer suffering. Until we meet again.....Deb

“ Tami will always have such a caring, beautiful soul. She was always so loving to all those who crossed her path. She took me in as one of her own after barely meeting me, and I will always love and appreciate her for that. All those, plus many more, helped her to raise a beautiful, strong, independent daughter that will forever keep her memory alive.

“ *Tami was such a special friend! She loved all the children and it showed in her kindness towards them. Kids would often run after her pizza truck only to return home with a “free” large pizza or breadsticks. I could see the sparkle in her eyes as she made them giggle and she would genuinely listen to what they had to say. Speaking of sparkle, Tami loved rhinestones and anything that was covered in them. She had excellent taste! Thank you for loving our family and so many others. We will miss you Tami! Love you always our special angel.*

“ *Tami was the most amazing person. I will always cherish the memories of working on her pizza truck, her making me a beautiful picture frame that sat by my bedside table for years, & making me birthday cakes. She went out of her way make others feel special & I looked up to her because of it. I strive to be as kind, generous and selfless as she was. Love you Tami & Rest In Peace.*
